OC Parks and the Newport Bay Conservancy invite you to attend Earth Day at the Bay. Join us in thinking about how we can protect our planet and preserving it for the future!

This free, family-friendly event features environmental-themed exhibits from community partners. Booths will feature activities including arts and crafts, science discovery and educational information. There will also be live music throughout the day.

Additionally, there will be a scavenger hunt with small prizes for all participants!

Food trucks will be on site selling delicious culinary creations. Also, be sure not to miss the opportunity drawing!
